Kansas City

### **About the Catholic Lawyers Guild of Kansas City**

The Catholic Lawyers Guild of Kansas City was founded in 2007. The purpose of the Guild is to provide Catholic legal professionals with a network of individuals who share the faith and tradition of the Catholic Church. The primary event that the Guild sponsors is the Annual Red Mass and reception. The Guild also sponsors a monthly lecture series, bi-monthly general meetings and socials, a family summer event, and the end of year Christmas meeting and social. Further, the Guild is working to establish a relationship with local Catholic charitable entities to create a network for its members to help the Church in the community. Our mission is to sponsor spiritual, social, educational and charitable opportunities and events that bring together the richness of our faith with the nobility of our profession.
